Acknowledgments

As always, we are grateful for the leadership and enduring support of the Fraser Institute, its president Niels Veldhuis, executive vice-president Jason Clemens, and our long-time partner and friend Fred McMahon, who holds the Institute's Dr. Michael A. Walker Research Chair in Economic Freedom. Without the assistance and guidance of both Michael Walker, co-founder of the Fraser Institute, and the late Rose and Milton Friedman, this project would never have gotten off the ground.

The too-numerous-to-name members of the Economic Freedom Network again provided valuable support for this report. Rosemarie Fike deserves our special thanks for her tireless efforts to measure the legal and regulatory inequities facing women around the globe and for her work to update the Gender Legal Rights Adjustment. Our thanks also go to Kathy Makinen of Florida State University for research assistance.

The authors would like to thank the Atlas Network, the Charles Koch Foundation, the Sarah Scaife Foundation, and the Searle Freedom Trust for their support of this project.

James Gwartney, Robert Lawson, Joshua Hall & Ryan Murphy
